Who We Are

Sourcing that supports great food.

Zestora Hospitality is a Bangalore-based tech enabled distribution partner for the HoReCa sector, focused on supplying high-quality FMCG and foodservice products that help kitchens perform better every day. We support restaurants, cloud kitchens, QSRs, and café operators with dependable procurement, a curated product selection, and smooth fulfilment enabling our customers to focus on what matters most: great food and great guest experience.

Why Choose Zestora

Better Procurement

Reliable sourcing of quality brands and consistent product supply, eliminating last-minute kitchen emergencies.

Better Menu Execution

Ingredients and essentials that support repeatable recipes — same taste, every shift, every batch.

Better Taste Consistency

Pre-blended, professionally formulated products that remove guesswork and reduce variation across outlets.

Better Kitchen Efficiency

Convenience-first formats — instant mixes, DIP & FRY marinades, and ready-to-use blends that cut prep time and labour costs.

Better Customer Experience

Dependable ingredient quality helps your kitchen maintain food standards that keep guests coming back.

Single-Source Simplicity

80+ SKUs across 15 categories from one trusted partner. Less procurement complexity, more kitchen focus.

Who We Are

Sourcing that supports great food.
